# Making Predictions

A prediction is a smart guess about what will happen next.  
We use clues from the text or pictures and what we already know.

1. What do you think will happen next?

\_\_\_\_\_.

What is your clue?

\_\_\_\_\_.

2. What do you think will happen next?

\_\_\_\_\_.

What is your clue?

\_\_\_\_\_.

3. What do you think will happen next?

\_\_\_\_\_.

What is your clue?

\_\_\_\_\_.

4. What do you think will happen next?

\_\_\_\_\_.

What is your clue?

\_\_\_\_\_.

Remember: Your prediction can be true or not.  
A good prediction is based on evidence!
