

HERCULES

HERCULES FINDS A HOME

MUSE

And there we have,
Mum, dad and
Happy they are in their humble

No one would say he isn't their son
As love was a must in their home, sweet home
 was a must in their home, sweet home

It was, , a bit hard to him
How he should use that strength he had
And the people in went mad, they went mad

CHORUS 2

Hercules doesn't belong to us,
He's too , he'll destroy us all

CHORUS 3

Awkward and slow, but a boy.
Hercules must control his strength

ALL

Hercules must control his strength,
Hercules must control his strength.
