Exercise 15: Read the following passage and decide if the sentences are true (T) or false (F).

Vernon goes to school from Monday to Friday. He has many subjects at school: English, art, science, mathematics, PE, and history.

His first class is English, and he likes that teacher very much. His English teacher says that he is a good pupil, which makes him very happy. His next class is art. He draws on paper with crayons and pencils and sometimes uses a ruler. Vernon likes art. It is his favorite class. His third class is science. This class is very hard for Vernon to understand, but he gets to work with his classmates a lot, which he likes to do. His friend, Wendy, works with Vernon in science class, and they have fun. The next class is mathematics, which most of the students just call math. Wendy has trouble getting a good grade in mathematics, but the teacher is very nice and helpful. His fourth class is PE. It is just exercising. History is his last class of the day Vernon has a hard time staying awake. Many lessons are boring, and he is very tired after doing gym.

	TRUE	FALSE
