**Tomás:** Diego! Did you hear back from the university / school?

**Diego:** Yes! I got my \_\_\_\_\_ yesterday. I still can't believe it.

**Tomás:** That's great news! Are you going to study full-time or \_\_\_\_\_?

**Diego:** \_\_\_\_\_. I have to. It's a requirement for my \_\_\_\_\_.

**Tomás:** Right, that's important. And what about \_\_\_\_\_? Vancouver is not cheap.

**Diego:** I know. As an \_\_\_\_\_, I pay a lot more than a \_\_\_\_\_. But I found a \_\_\_\_\_. I sent my transcript with the \_\_\_\_\_, and they approved it.

**Tomás:** That's really good. Where are you going to live?

**Diego:** I'm going to live in \_\_\_\_\_ on campus for the first year. It's easier while I get used to everything.

**Tomás:** That makes sense. The \_\_\_\_\_ there is beautiful. What program did you get into?

**Diego:** Engineering. And it has a \_\_\_\_\_. I can get real work experience before I graduate. That was a big reason I chose it.

**Tomás:** Smart. And when you finish, you can apply for the \_\_\_\_\_. You can stay and work in Canada for up to three years after you graduate.

**Diego:** Yes, that's the plan. First, the \_\_\_\_\_, then the \_\_\_\_\_, then stay and work here.

**Tomás:** You're on the right track. Oh, and keep all your documents safe. Especially your \_\_\_\_\_. You're going to need it more than you think.

**Diego:** Already done. Hey, was it hard for you at the beginning?

**Tomás:** Yes, it was. But every semester gets a little easier. You'll see.
