

ENGLISH TEST – GRADE XI
Descriptive Text: Tourism Object

Name : _____

Class : _____

Date : _____

A. Multiple Choice

Instruction: Read the text carefully and choose the best answer by crossing **A, B, C, D, or E**.

Borobudur Temple

Borobudur Temple is one of the most famous tourist attractions in Indonesia. It is located in Magelang, Central Java. The temple was built during the Syailendra Dynasty around the ninth century.

Borobudur is a large Buddhist temple with beautiful stone carvings and hundreds of stupas. The temple has nine levels, consisting of six square platforms, three circular platforms, and a large stupa at the top. Visitors can enjoy beautiful views of the surrounding mountains from the upper levels of the temple.

Many tourists visit Borobudur to learn about Indonesian history and culture. They can also take photographs and enjoy the peaceful atmosphere around the temple.

1. What is the text mainly about?
 - A. The history of Central Java
 - B. A description of Borobudur Temple

- A. Leave their rubbish on the beach
- B. Damage the environment
- C. Keep the beach clean
- D. Avoid the local community
- E. Build new hotels

B. True or False

Instructions

Read each descriptive text carefully. Then, determine whether each statement is True (T) or False (F) based on the information in the text. Some statements require you to make an inference from the text.

Text 1

Mount Bromo

Mount Bromo is one of the most popular tourist destinations in East Java. It is part of Bromo Tengger Semeru National Park. The area is famous for its spectacular sunrise, vast sea of sand, and unique volcanic landscape.

Many visitors arrive before dawn to watch the sunrise from a viewpoint. After that, they usually travel across the sea of sand and climb the stairs leading to the crater. The journey can be tiring, but the beautiful scenery makes the experience memorable.

Because of its popularity, Mount Bromo can become very crowded during holidays. Visitors are expected to follow the rules, avoid littering, and respect the natural environment. Protecting the area is important so that future generations can also enjoy its beauty.

Statements

- 6. The text suggests that visitors need to prepare themselves physically before exploring Mount Bromo.
True / False
- 7. The popularity of Mount Bromo has no impact on the experience of visitors during holidays.
True / False
- 8. Based on the text, protecting Mount Bromo is important not only for current visitors but also for future visitors.
True / False
- 9. Visitors who arrive after sunrise will definitely be unable to enjoy any attractive scenery at Mount Bromo.
True / False
- 10. The writer describes both the attractions of Mount Bromo and the responsibility of visitors toward the environment.
True / False

Text 2

Tanah Lot

Tanah Lot is a famous tourist attraction in Bali. It is known for a temple built on a rock formation near the sea. During high tide, the rock appears to be separated from the mainland, creating a unique view.

The area is especially popular in the late afternoon when visitors can enjoy the sunset. Several shops and traditional stalls are also available around the tourist area. Visitors can buy souvenirs, taste local food, and take photographs of the temple and the surrounding scenery.

Although Tanah Lot attracts many tourists, visitors should be careful when walking near the coast, especially when the waves are strong. They should also respect the temple as an important cultural and religious site.

Statements

11. The location of the temple contributes to the uniqueness of Tanah Lot as a tourist attraction.
True / False
12. The text implies that visiting Tanah Lot can provide visitors with both natural and cultural experiences.
True / False
13. Tourists can freely enter and treat the temple as an ordinary tourist object because the text mainly describes its scenery.
True / False
14. Strong waves may make certain areas around Tanah Lot potentially unsafe for visitors.
True / False
15. The presence of traditional stalls indicates that visitors can experience something beyond simply enjoying the scenery.
True / False
