

1. Use the weather forecast to answer the questions.

Mon	Tue	Wed	Thu	Fri	Sat	Sun
						
sunny	sunny	party cloudy	cloudy and windy	rainy and windy	party cloudy	sunny
32°C	28°C	23°C	19°C	12°C	25°C	31°C

1. What will the temperature be on Monday?

2. Which day will be the coldest?

3. Which day will be the warmest?

4. What would you wear on Tuesday?

5. What should you do on Friday basing on its weather?

6. If you have an outing to the park planned for Saturday, do you think you will go? Why or why not?

7. Which day would be best to fly a kite? Why?

3. Write a weather forecast in your imaginary country.

- What is the name of your imaginary country? Where is your country?
- What is the weather like today? What will the weather be like tomorrow? Will it be sunny, cloudy, rainy, windy, or snowy?
- What will the temperature be? What will people do in this weather?
