

Telling Time

Let's Learn, Read, and Tell the Time!

Name : _____

Class : IV ()

Date : _____

A. Materi: Mengenal Jam

- Jarum pendek menunjukkan jam (hour).
- Jarum panjang menunjukkan menit (minute).
- Satu putaran penuh jarum panjang = 60 menit = 1 jam.
- Setiap angka pada jam menunjukkan selang 5 menit.

B. Ungkapan dalam Bahasa Inggris

- **o'clock** : tepat jam ...
- **half past** : setengah lewat ... (30 menit)
- **quarter past** : 15 menit lewat ...
- **quarter to** : 15 menit kurang ...
- **past** : lewat ...
- **to** : kurang ...

Time is precious.
Use it well! ♥

What time is it?
