Max's new shoes

Max had a problem. His old shoes were too small. He couldn't run well in them.

"Mum, my shoes are too small! I need new ones for school," Max said one morning. "Okay, Max. Let's go to the shopping centre on Saturday," said his mum.

On Saturday, Max and his mum took the bus to the shopping centre. There were many shops there. They went to a big shoe shop.

"Hello, can I help you?" said the woman. "Yes, please. My son needs some new school shoes," said Mum.

Max looked at all the shoes. Some were black, some were white, and some were blue. He saw a pair of shoes that were red and yellow.

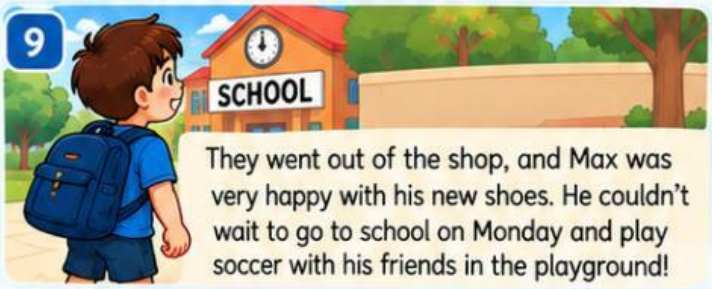

"Look, Mum! These are cool!" Max pointed. "Hmm, they are nice, but they're not for school. Let's find some black ones," Mum said.

Max tried on many black shoes. Some were too big, and some were still too small. Then he found a pair that could be right.

"These are the best, Mum! I can run very well in these!" Max smiled. "Great! We should buy them," Mum said.

They went out of the shop, and Max was very happy with his new shoes. He couldn't wait to go to school on Monday and play soccer with his friends in the playground!
