READING

Instruction: Read the paragraph and answer the questions below.

Hi! My name is Kathy and I am a teacher. There is a festival in my school and students are doing different things. First and second grade students are playing soccer on the soccer field. Third and fourth graders are watching a movie in a classroom. Fifth and sixth graders are holding a magic show. They are all having fun. Seventh, eighth, and ninth graders are presenting their science projects. They are really excited because there are some visitors from other schools and their own parents.

Right now, I am having breakfast.
This is a great day!

1. What's Kathy's occupation?

2. What is happening at school?

3. What are third and fourth graders doing?

4. Are seventh, eighth, and ninth graders presenting their science projects?

5. What is the teacher doing now?
