HOMEWORK PRACTICE TEST

FLYERS AUTH 4 – Test 1 – Reading and writing – Part 4

Read the text. Choose the correct answer and write tem on the lines.

Tortoises

Tortoises are animals that have four legs and a hard shell
on their backs. There isn't only one kind of tortoise
and tortoise's shell is a different shape. They have short
legs and toes, and they do not have teeth. They pull their
heads and necks inside their shells when they afraid of
something. Tortoises eat plants, but there are some
tortoises eat snails and birds. Tortoises like to sleep
for of the day. Some tortoises
live they are very old. A few
live than 100 years! And on some islands, there are very
large tortoises. tortoises have lots of food to
eat, the animals grow big.
the weather gets cold, tortoises go to sleep for months.
