# WH QUESTIONS

Aprendo a hacer preguntas en inglés.  
Puedo entender y responder preguntas.

1. Match. Une cada pregunta con la respuesta correcta.

|                           |   |                            |
|---------------------------|---|----------------------------|
| What is this?             | • | • Because it is delicious. |
| When do you go to school? | • | • At 7:00 a.m.             |
| Where do you live?        | • | • In my house.             |
| Who is your friend?       | • | • I am happy.              |
| How are you?              | • | • It is a book.            |
| Why do you like pizza?    | • | • His name is Tom.         |

2. Choose the correct answer. Elige la respuesta correcta.

|                                                                                                                                                     |                                                                                                                                                            |                                                                                                                                                                                      |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
