

# SOMEWHERE ONLY WE KNOW

I walked across **a an** empty land  
I knew the pathway like the back of **my your** hand  
I felt **the one** earth beneath my feet  
Sat by the river and it made me complete  
Oh, simple thing, **who where** have you gone?  
I'm getting **new old** and I need something to rely on.

So tell me **where when** you're gonna let me in  
I'm getting tired and I need \_\_\_\_\_ to begin  
I came across a fallen tree  
I felt the branches of **it she** looking at me  
Is this the place we used to love?  
Is this the place that I've been dreaming of?

Oh, simple thing, **why where** have you gone  
I'm getting **big old** and I need something to rely on  
So tell me **who when** you're gonna let me in  
I'm getting tired and I need somewhere to begin  
And if you have a minute **who why** don't we go  
Talk about it somewhere only we know?  
This could be the end of **anything everything**  
So why don't we go  
\_\_\_\_\_ only we know?
