Task: Life Before and Now

Complete the text with the correct form of **used to** or **had to**.

When I was younger, my life was very different. I _____ (live) in a small village with my grandparents. Every morning, I _____ (get up) at 6:30 because I _____ (walk) three kilometres to school. We didn't have a school bus.

I _____ (spend) a lot of time outside because we didn't have many gadgets. My friends and I _____ (play) football in the street, and sometimes we _____ (help) our parents in the garden.

At school, we _____ (wear) a uniform, and we _____ (bring) our own lunch. After school, I _____ (do) my homework before I could go outside.

I _____ (not / have) a smartphone, so I _____ (use) my parents' phone when I needed to call someone. I _____ (write) letters to my cousins, too.

Now everything is different. I live in a city, I have my own phone, and I don't _____ (get up) so early anymore. But sometimes I miss the way we _____ (spend) our free time.  **LIVEWORKSHEETS**
