

I could be the twist, the one to you stop
The icing on your, the cherry on the top
There's Heaven in my, and we could find you some
space
I could be theto you, the missing piece
The extra sentimental kind of
Some people make it, with me, that isn't the case
'Cause I make it so easy to fall in love
So, come,me a call, and we'll fall into us
I'm the perfectof Saturday night
and the rest of your, honey
Anyone with a heart would agree

It's so easy to fall in love with me

The way I do my, the way I make you laugh
The way we like to share a.....in Central Park
I could be fresh air, might be theof your dreams
There's no need to hide if you're into me
'Cause I'm into you quite intimately
And maybe one could turn into three
Well, I'm down to see
