The Hidden Haven of Green Valley Park

Green Valley Park is a small public park located right in the center of our bustling town. Despite being (1) _____ by noisy streets and concrete buildings, this place serves as a peaceful sanctuary for local residents who want to refresh their (2) _____ and connect with nature.

As you step into the park, your feet touch a soft, damp blanket of emerald green grass. The air feels cool and crisp, gently (3) _____ against your skin with every soft breeze. Massive pine trees line the stone pathways, providing huge umbrellas of shade. Sunlight filters through the dense leaves, casting golden patterns on the ground.

The park is alive with (4) _____ sounds. Birds chirp cheerfully from the tall branches, while dry autumn leaves rustle softly under your shoes. Near the center, a small crystal-clear (5) _____ flows over smooth, rounded pebbles, creating a soothing sound of trickling water that lulls visitors into (6) _____.

The fragrance of the environment is equally inviting. A sweet scent of fresh jasmine and blooming wildflowers fills the warm afternoon air, mixed with the earthy aroma of wet soil after a light rain. Nearby, small wooden benches face the (7) _____, where colorful koi fish swim gracefully in the shimmering water. Green Valley Park is truly a (8) _____ natural oasis in our urban daily life.

Activity 1

Reading Comprehension (True / False)

State whether the following statements are **TRUE (T)** or **FALSE (F)** based on the text above!

1	Green Valley Park is situated far away from the town center.	T	F
2	The park provides a quiet place for residents away from noisy streets.	T	F
3	The leaves of the pine trees prevent all sunlight from reaching the ground.	T	F
4	The stone pathways are lined with massive oak trees.	T	F
5	Visitors can hear the sound of trickling water from a small stream in the park.	T	F
6	The water in the central pond is murky and dark.	T	F
7	The earthy aroma in the park comes from wet soil after rain.	T	F
8	There are wooden benches provided near the pond for visitors to sit.	T	F
9	The text implies that Green Valley Park is noisy and overcrowded.	T	F
10	The writer considers Green Valley Park a valuable place for urban residents.	T	F
