HALLOWEEN

Halloween is on October 31st. It is a fun and spooky day for children and adults. Many people in the United States, Canada, and other countries celebrate Halloween. Children wear costumes and masks. Some dress as witches, ghosts, monsters, or superheroes. They go from house to house and say, "Trick or treat!" People smile and give them sweets or small chocolates.

Many families put pumpkins outside their houses. They cut faces into the pumpkins. These are called "Jack-o'-Lanterns." Some people also decorate their homes with spiders, bats, or skeletons to make them look scary.

At night, some people watch scary movies or go to Halloween parties. They eat sweets, wear costumes, and have fun with friends and family.

Halloween is not a holiday in every country, but many people enjoy it. It is a time to have fun and be a little scared — but not too much!

1. Not all countries celebrate Halloween.
2. A Jack-o'-Lantern is a pumpkin with a face.
3. Children wear costumes like superheroes or ghosts on Halloween.
4. Children say "Happy Halloween!" to get sweets.
