Report on Pupils' Spending Habits

Introduction

The survey was (1) _____ among pupils at our school last week to find out about their spending (2) _____. The (3) _____ of the survey was to identify common spending patterns and raise awareness of the importance of financial management. A total of 100 pupils participated in the survey.

Findings on Pupils' Spending Habits

The (4) _____ showed that many pupils spend their money on food, drinks and trendy items. A large number of pupils are also (5) _____ by social media and their friends when making (6) _____. Unfortunately, only a small number of pupils save money (7) _____. This shows that many pupils lack proper (8) _____ skills and financial awareness.

Suggestions to Improve Financial Awareness

To improve the situation, it is (9) _____ that the school organise talks and workshops on financial management. These activities could teach pupils how to prepare a budget and (10) _____ between needs and wants. In addition, a savings (11) _____ could be introduced to encourage pupils to save money. Parents should also teach their children to spend (12) _____ and avoid unnecessary purchases.

Conclusion

Overall, the survey revealed that pupils need to become more (13) _____ consumers. With the (14) _____ of the school and parents, pupils can learn to manage their money (15) _____ and develop good saving habits for the (16) _____.
