Passage #1: I have a magic backpack. When I put it on, it takes me places! Yesterday, I wore it and went to Disney World! I rode all the rides. I met Mickey Mouse, Buzz Lightyear and Winnie the Pooh. I saw Cinderella's castle too. I even ate a big ice cream cone. I stayed up really late! When I was too sleepy to stay awake, I took off the backpack. Just like that, I was back home in my room.

I could even breathe underwater! I swam until I couldn't swim anymore. Then I took off the backpack and before I knew it, I was back in my room.

Passage #3: My magic backpack took me to Mars today! I put it on and landed on this big new planet. Every step was like a jump. It felt like I was super light! I saw huge red mountains. I even picked up a glowing rock. A robot rover was there too. Robot rovers explore other planets. They take pictures and send them to Earth! I explored with the rover for a long time. Then I got hungry! So I took off my backpack and went back home.
