Part 4

The questions are based on the following texts on famous cities around the world.

Read the texts and choose the best answer A, B or C. Type your answer (A, B or C) in the box provided.

London

London is the capital of the United Kingdom. It has a population of about 9 million people. The City of London was founded by the Romans as Londinium and has retained many of its medieval architecture. It is one of the world's major global cities.

New York

New York is the most populous city in the United States. Located at the southern tip of USA, it has one of the world's largest natural harbours. The Statue of Liberty is a sculpture on Liberty Island in New York Harbour. The copper-clad statue was a gift to the United States from the people of France on October 28, 1886.

Edinburgh

Recognised as the capital of Scotland since the 15th century. The Scottish Parliament and the highest courts are found in the city of Edinburgh. The Palace of Holyroodhouse which is the official residence of the British monarch in Scotland is also in Edinburgh. The City of Edinburgh has an estimated population of about half a million people.
