

3rd GRADE MATH CLOSING ACTIVITY

Activity 1 Counting to 10,000.

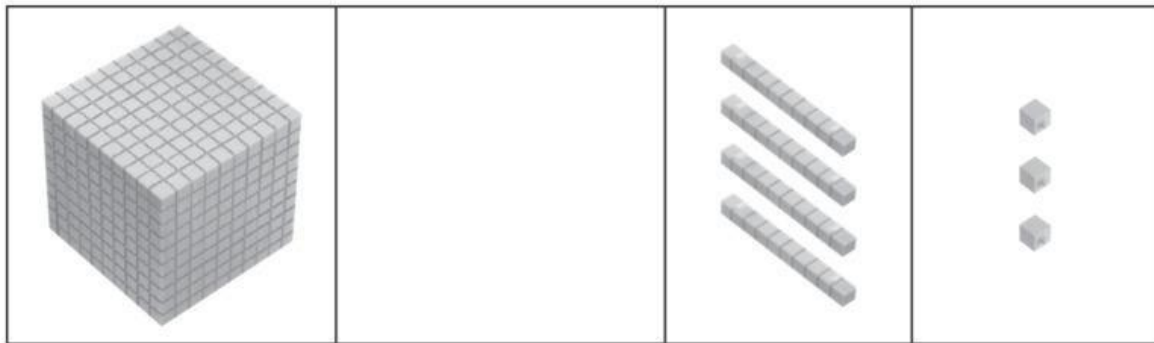

Count to find each answer.

1,000

1,100 1,200 _____

_____ 1,320 _____ 1,340 _____

1,010 _____ _____ 1,040

1,041 1,042 _____

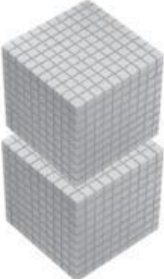

Count to find each missing number. Count on by ones, ten, hundreds, or thousands.

a) 82 1,082 2,082 _____

b) 7,045 6,045 5,045 _____

Activity 2 Place Value

Fill in each blank.

			
Thousands	Hundreds	Tens	Ones

The digit _____ is in the thousands place. ← 2, 5 0 3

The digit _____ is in the hundreds place. ←

The digit _____ is in the tens place. ←

The digit _____ is in the ones place. ←

The value of the digit 2 is _____.

The value of the digit 5 is _____.

The value of the digit 0 is _____.

The value of the digit 3 is _____.

Activity 3 Expanded form, Standard form, and Word form

Write the number in expanded form, standard form, and word form.

7,000
100
10
8

Expanded form: _____

Standard form: _____

Word form: _____

Activity 4 Comparing Numbers

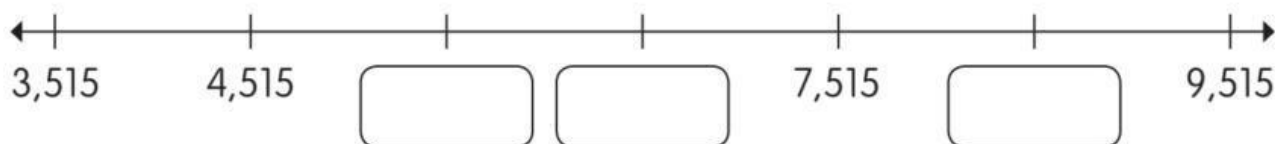

Comparing and Ordering Numbers.

Fill in each blank with "**greater than**" or "**less than**".

a 1,999 is _____ 2,000.

b 2,391 is _____ 2,099.

Look for a pattern. Then, fill in each blank.

Activity 4 Rounding Numbers to the Nearest 10 and Nearest 100.

Round the numbers to the Nearest 10 and Nearest 100.

Nearest 10	Numbers	Nearest 100
	18	
	934	
	281
