Subject: Wow, Sandra, you're up early! November 21, 8:00 a.m.

Guess what! I'm not at home in L.A. today. I'm in San Francisco! I'm with my parents. My grandparents are from San Francisco, so we're at their house, not at a hotel. Their house is in North Beach, an awesome neighborhood. There's a cable car stop right in front of their house! There are lots of Italian families in North Beach and of course lots of great Italian restaurants! North Beach's nickname is "Little Italy."

Right around the corner from my grandparents' house there's a famous old bookstore – City Lights. (See my pic). The books are great, but it's my favorite place to watch people! Tonight there's a small family party for me in a restaurant in Chinatown, the neighborhood right next to North Beach – and then a movie.

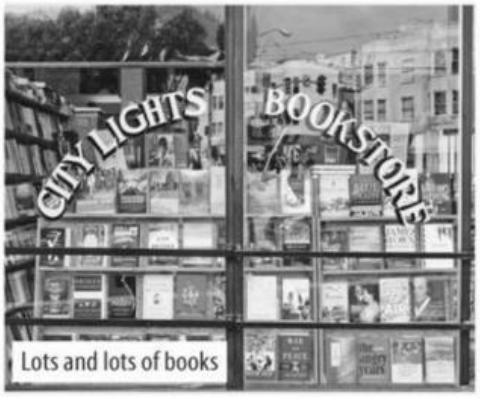

Thanks for the birthday greetings, Sandra! ☺

WRITING SECTION

Write a short description of your bedroom using there is/there are and prepositions to indicate the position of objects/furniture. This is your reference.

My room isn't very big, but I love it because I have everything I need. There is a small bed in the center, it is comfortable. Next to the bed, at the right, there is a night table with a lamp and my alarm clock. At the left there is my desk. This is my place of study. On the desk there is a monitor and there are books and school supplies. Under, there is the CPU. Next to the desk, at the left, there is a chest of drawers. Here I keep all my clothes in order. On the chest there are some flowers and next to the them you see my favorite plush toy, Porky. In front of my bed there is a soft carpet. Sometimes I lay here and rest. All my room is painted in pink, my favorite color.
