There are several services in the world, such as \_\_\_\_\_ services, postal services, banks, beauty services and emergency services.

At the post office you can buy stamps, \_\_\_\_\_, cards, scratch cards and. You can post letters, postcards and \_\_\_\_\_, pay your bills and transfer money.

Mostly elderly people use the postal services, because younger \_\_\_\_\_ use the Internet to pay the bills or transfer money. Letters and postcards are only sent when people are on \_\_\_\_\_. Emails and messages have replaced the \_\_\_\_\_ mail.

You can also \_\_\_\_\_ there to magazines, newspapers or comic books, which are then regularly brought to your home by the postman. And you have the chance to buy a \_\_\_\_\_ ticket if you want to gamble.

The post office offers you life, travel and compulsory vehicle \_\_\_\_\_. Nowadays they even sell snacks and small toys.

Emergency services are \_\_\_\_\_, police, fire service and a patrol service is the auto club. Ambulance callable in 104, police in 105 and fire service in 107 in emergencies. Auto club helps the motorists in default. It's \_\_\_\_\_ in 188, they are often called yellow angels.

Moreover, there are expensive beauty services, such as the hairdresser or barber. Many women go to the \_\_\_\_\_ to have perfect and fancy nails.

If you want to have a dress made you go to the \_\_\_\_\_, if it's a suit you should go to the tailor.

In my town there are many more services, such as optician's, car mechanic (garage), shoemaker, \_\_\_\_\_, repairs (electrician, plumber), currency exchange and taxis.
