

Read the message from your friend, Mei Li.

Hi Suriana,

How are you? I hope you and your family are in the pink of health. I have great news. My friends and I will be climbing Mount Kinabalu next weekend. I am really nervous about climbing it. You enjoy climbing mountains too, don't you, Suriana? Could you please give me some advice about it? Hope to hear from you soon.

Mei Li

In about **60 words**, write an **email** to Mei Li giving her some advice. **HOTS**
