

Dear mum,

I have piano practice this Saturday. Can you drop me off at the studio in the morning? After the practice, I want to go to the library and read comic books there.

On Sunday, I am planning to go swimming with my friends at the pool. Then, we want to play the latest computer game together. Hope that you would give me your permission.

Love,
Hazim

10. Who wrote the message?

- A. Hazim B. mum C. Halid
