

LISTENING 7

I had a sporting (1)..... a little while ago, and I'm still in some (2).....

And I wondered if I could see a doctor here.

Certainly, sir.

We can take you on as a (3)..... patient.

I'll just take down some personal details.

Can I start with your name?

Yes. It's Peter. Peter Smith.

Right, Peter. And where are you staying here?

At (4)..... Street.

And the suburb?

That's (5).....

And can I have a contact phone number?

It's (6).....

Thanks.

Okay. If you just wait down there, the doctor will see you in a minute.

Now what can I do for you?

It's Peter Smith, isn't it?

Yes. I had a sporting accident and was treated by a doctor at home, but I'm still in pain.

Right.

I just need to ask you a few questions, first of all.

Fine. Now what sport were you doing?

(7).....

I see.

And what was the nature of your (8).....?

Did you hurt your (9)..... or wrist?

No.

I had a sprained knee.

That was the (10).....

Right.

And when did this happen?

It was three weeks ago now.

So that was (11).....

Fine. And you say you had medical treatment?

Yes.

The doctor said I didn't need an X-ray or anything, and he just told me to use an ice pack.

An ice pack.

Fine.

Yes.

And I've been using a walking stick to help me get around.

Right.

Now what problems are you experiencing at the moment?

Are you having any problems walking?

Well, I can walk okay, but I still can't go upstairs, so I've been sleeping downstairs.

Now you say your knee still hurts?

Well, no.

Actually, it's (12)..... nicely.

It's my back that's hurting me now.
