Amira's School Garden

Amira enjoys gardening. Every Wednesday afternoon, she helps her teachers and friends in the school garden. Together, they grow vegetables such as tomatoes, cucumbers, and spinach. They water the plants, pull out the weeds, and keep the garden clean.

One day, the vegetables were ready to harvest. Amira and her classmates picked the fresh vegetables carefully. Their teachers used the vegetables to make a healthy salad for everyone. Amira felt proud because she helped to grow the vegetables.

Besides gardening, Amira enjoys reading books about plants and flowers. She hopes to have a beautiful garden at home one day. She believes that taking care of plants teaches people to be responsible and patient.
