K. Read and circle the correct answers.

Nizam and his family visited Kuala Lumpur last week. It was a three days and two nights trip. Nizam's father drove from Ipoh. It took about three hours for them to reach to their hotel. They refreshed themselves and went for lunch. They had some Japanese food. Then, they visited the Petronas Twin Towers. It was magnificent with the lights. They took some pictures there. They also went shopping there as well. The next day morning, they visited the National Museum. Nizam enjoyed seeing the ancient collections and the exhibitions. After lunch, they went to National Planetarium. Nizam had fun learning about planets, galaxies and the universe. After that, they visited Aquaria KLCC. They got to see rare species of aquatic creatures like sharks, coral fish, seahorses and many more. After that, they went back to the hotel. The next morning, they made a visit to the Merdeka Square. They ended their trip with some street shopping at Petaling Street. They reached home around evening. It was a fun trip.
