

## Chọn số đúng

|                                                                                   |   |
|-----------------------------------------------------------------------------------|---|
|  | 4 |
|                                                                                   | 5 |
|                                                                                   | 3 |

|                                                                                    |   |
|------------------------------------------------------------------------------------|---|
|  | 5 |
|                                                                                    | 4 |
|                                                                                    | 2 |

|                                                                                     |   |
|-------------------------------------------------------------------------------------|---|
|  | 5 |
|                                                                                     | 2 |
|                                                                                     | 4 |

|                                                                                      |   |
|--------------------------------------------------------------------------------------|---|
|  | 3 |
|                                                                                      | 2 |
|                                                                                      | 5 |

|                                                                                     |   |
|-------------------------------------------------------------------------------------|---|
|  | 5 |
|                                                                                     | 4 |
|                                                                                     | 3 |

|                                                                                      |   |
|--------------------------------------------------------------------------------------|---|
|  | 4 |
|                                                                                      | 5 |
|                                                                                      | 3 |
