

Used to

Focus on meaning

Task 1. Read the sentences and answer the questions.

- a) *Jessica used to live in California.*
- b) *She didn't use to work in a bookshop.*
- c) *What did she use to dream about?*

1. Did Jessica live in California in the past?
2. Does she live in California now?
3. Did Jessica work in a bookshop in the past?
4. Does she work in a bookshop now?
5. Does question c) ask about the past or present?

Task 2. Underline the correct option.

RULES

- 1 *Used to* describes a habit or situation which was true in the past, but it is not the same now. You can also use the *present/past simple* with a similar meaning, but *used to* emphasises the change.
- 2 If something *used to* happen, it happened *once/for an extended time*.

Focus on form

Task 3. Complete the table.

+	-	?
They used to study in that college.	They _____ to study in that college.	_____ they _____ to study in that college?

Focus on pronunciation
