

Unit 7

"Extreme Sports and the Weather"

Lesson N° 2

What' the weather like?

PURPOSE: Today, we will learn to describe the weather and talk about sports in different weather conditions	Name and lasta name
EVALUATION: Do the activities in the worksheet	Grade and section

SURFING   sunny  warm  light wind Surfers usually surf when it's sunny and warm. The waves are better with light wind.	SNOWBOARDING   snowy  cold  cloudy Snowboarders go when it's snowy and cold. It's better when it's not too windy.	ROCK CLIMBING   sunny  dry  warm Climbers prefer dry and sunny days. It's dangerous when it's rainy or very cold.	SKATEBOARDING   sunny  dry  warm Skaters usually practice when it's sunny and dry. Wet floors are dangerous.
PARAGLIDING   sunny  windy (but not too strong) Paragliders go when it's sunny and windy. Too much wind can be dangerous.	RAFTING   rainy  warm  strong water flow Rafting is popular when it's rainy and warm because the rivers have more water.	MOUNTAIN BIKING   sunny  dry  cool Mountain bikers prefer dry and cool days. It's not easy when it's very hot or rainy.	SKIING   snowy  cold  clear sky Skiers go when it's snowy and cold. The best conditions are with a clear sky.

1. Complete the sentence: Surfers prefer sunny and warm weather because the waves are better when the wind is ____.

- A. light
- B. snowy
