## GIVING OPINIONS

Topic :

\*Children playing virtual games is as good as playing outdoor games.\*

Do you agree or do you against this topic?

Come up with \*3 reasons for your choice\*. For each reason, use ONE topic sentence and ONE/MORE supporting sentence(s). Refer your textbook page 115.

| No | Reasons |
|----|---------|
| 1  |         |
| 2  |         |
| 3  |         |

Complete the introduction paragraph, then write your ideas. You may \*complete each paragraph with one reason each followed by its supporting sentences\*.

|                                                                                                                 |                                                                                                                                                                            |
|-----------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Paragraph 1<br/> <i>Introduce the topic.<br/> State your stance :<br/> agree/disagree</i></p>                | <p>Today, children and teenagers like playing virtual games through electronic devices and gadgets. Is playing virtual games is as good as playing outdoor games? I...</p> |
| <p>Paragraph 2<br/> <i>What is your first reason?<br/> Give a/two supporting sentences for the reason.</i></p>  | <p>In my opinion ...</p>                                                                                                                                                   |
| <p>Paragraph 3<br/> <i>What is your second reason?<br/> Give a/two supporting sentences for the reason.</i></p> | <p>I believe that ...</p>                                                                                                                                                  |
| <p>Paragraph 4<br/> <i>What is your third reason?<br/> Give a/two supporting sentences for the reason.</i></p>  | <p>I think ...</p>                                                                                                                                                         |

|                                                                                                                 |                                                                                |
|-----------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------|
| Paragraph 5<br><i>Summary/Conclusion</i><br><i>State again your</i><br><i>stance :</i><br><i>agree/disagree</i> | Therefore, with all the above reasons,<br>I strongly _____ with the<br>motion. |
