

She continues to exercise every
day

The dollar has increased its
value

Had I the chance to return the
time back, I would change past
mistakes

It is estimated that there could
be a decrease in wildlife by
2050

Due to unforeseen scheduling conflicts, the committee decided to cancel the annual conference.

The report aims to reveal the
environmental impact of urban
expansion

Students were instructed to store
all electronic devices before the
assessment began

Instead of completing their tasks,
the delegates spent the afternoon
loitering in the main hall

The board requires additional time
to deliberate on the proposed
strategy
