KIDS FOUR FINAL EXAM

Paper 1
Time allowed: 1 hour

A) Read the story: **"The pink racket"**

THE PINK RACKET

Helen's family loved tennis. Her mother and father loved it, her younger brother loved it too, and her older brother was a very good player. "Come along, Helen," they said, "It's great fun." So Helen watched her family play, but she was bored. She didn't like tennis. She liked reading detective stories or watching TV.

On Helen's birthday her father gave her a big box. In it there was a pink tennis racket. On Saturday Helen and her family went to play tennis. "This is Miss Richardson, your coach," her father said. Then her father, mother and brothers went away to play together. Helen hated playing with her coach. She really hated tennis.

When the family got home in the evening Helen went to her room. She looked at her tennis racket. "What a stupid present! I'd like to smash it," she said to herself. But then she put the racket back in the box with this note: "Thanks for the racket, Dad, but I really don't like playing tennis." Then she put it on her father's desk.

On Sunday, her father found the box with the tennis racket in it. He put it away in a cupboard, but did not say a word to Helen.

After that day, at weekends, Helen's family don't invite Helen to play any more. She reads her detective stories or watches TV while her parents and her brothers play tennis. But this is a bit boring, so next summer Helen is going to play tennis again. She is going to take her pink racket and play with her family. And this time she is going to have fun.

Circle **TRUE** or **FALSE**.

Example: This is the story of a boy.
