Jack and his friends love spending time outdoors. One weekend, they decided to go camping in the forest. First, they set up their tents and played games outside. At night, they slept under the stars and listened to the sounds of nature. The next morning, they went on a hike to see some animals. They saw rabbits hopping around and birds flying high in the sky.

In the afternoon, Jack and his friends went to the beach. They were so excited to feed the dolphins there. The dolphins swam near the shore and jumped out of the water to eat the fish Jack gave them. Later, they made a campfire and roasted marshmallows. They sat around the fire, laughing and telling stories. Before going to bed, they explored a nearby cave with their flashlights, finding beautiful rock formations inside.
