

Without-you-it's-just-impossible Blues

Music and Lyrics by Dod Billian

Our toothpaste is leaking
 My razor blades are _____
 The hot tap keeps on _____
 And the cold one's back to front
 The bathroom door won't _____
 And the windows are all _____
 The water-pipes are _____
 And the basin's full of muck

(Chorus)
 I don't know what to do
 Without you.
 I don't know how to do it.
 Without you it's
 Just impossible Blues.

**blunt
 blocked
 squeaking
 lock**

My favourite white shirt
 Is marked and _____.
 You can't see it for dirt
 And the dirt's **ingrained**.
 My socks have **got holes in them**,
 And most of them are **torn**.
 My shoes have got **no soles** on them,
 The heels are badly _____.
 My trousers are _____.
 And my jacket is **faded**.
 It's all covered in **grease**;
 And I feel so _____.

**stained
 jaded
 worn
 creased**

My life's in a mess
 It's all twisted and _____.
 I feel so depressed
 As if I'd been _____.
 I'm absolutely shattered.
 I feel so beaten and _____.
 My dreams are in _____;
 The only thing that matters –

Is that I'm not with you,
 And I don't know what to do.
 I don't know how to do it.
 Without you it's
 Just impossible Blues.

**battered
 mangled
 tatters
 tangled**
