

An Adventure on the Nile

Reading Comprehension

On Monday, Ben and Laura visit the Nile River in Egypt with Dad and their dog, Buddy. They take a small sailboat with a friendly guide. Everyone wears a life jacket. The wind fills the sail, and the boat moves slowly. Ben takes photos of palm trees along the river. Laura sees three white birds near the water. Buddy sits quietly beside Dad. The guide points to a village on the riverbank. Soon, they stop at a small dock. They visit a market and buy two mangoes. At noon, they eat lunch in the shade. They give Buddy fresh water.
