

MY NAME IS

.....

THE LITTLE PRINCE

SONG 7

TOGETHER WE SHINE

Look up, look up
Open your eyes
Can you see your star shining in the sky?

Come on come on
Sing it out loud
Each of them is special
Like this friendship we've found

CHORUS

Hey, hey, my, my
Together we shine
Hey, hey, my, my
I'll be by your side
Hey, hey, my, my
Together we shine
Sing it again
Together we shine!
