

A DAY IN THE LIFE OF THE RADFORD FAMILY!

Sue and Noel Radford live in a very big house in Morecambe in the north of England. The house is big because they've got nineteen children! Their oldest child is 28, and the youngest is just a baby.

The day starts at 4 a.m. when Noel, a baker, goes to work. Two hours later, he comes home and he wakes up the children. Sue prepares breakfast and makes twelve packed lunches! After breakfast, Noel takes the children to school – in a minibus! Noel goes back to the bakery with his eldest daughter, Sophie. She works there too. Then Sue starts on the housework. She loads the dishwasher, cleans the house and does the washing (nine times a day!). After lunch she goes to the supermarket and she does the ironing. When Noel gets home at 5 p.m., he cooks dinner and the children set the table. After dinner, Sue helps the children with their homework. The day ends at 10 p.m. when all the children go to bed.
