A Busy Family

READING COMPREHENSION ACTIVITY

My name is Emma, and I live with my family in a small house. I have one older brother, Jack, and one younger sister, Lily. My father is a doctor, and my mother is a teacher. Every morning, we have breakfast together before we go to school or work. On Saturdays, we usually visit our grandparents, who live near our house. My grandmother loves cooking, and my grandfather enjoys telling funny stories. On Sundays, my family likes playing board games or watching films at home. I love spending time with my family because we always have fun together.
