“My Evidence”

Hello, Kim,

How's your studying going? We're having a great time camping. I didn't think I'd like it but it's a lot of fun. I've created a new soup recipe and your dad really loves it. Neal hardly touches it, he just eats sandwiches and potato chips all day. The tents are a little uncomfortable, but I sleep all right. Must be the fresh country air.

Talk to you soon,
Mom

Dear Kim,

Sorry you can't be with us. We're having lots of fun. Our new tents are great and we've found a great place right next to a river. Your brother and I had our first experience fishing but we were unsuccessful, which wasn't a shock. We had fun, though. Your mom keeps making a very unpleasant soup. I asked her if I could make some dinner, but she says she doesn't mind cooking for us. What can I do?

Take care,
Dad

Hi, Sis!

You're so lucky. I can't wait to go to college so I can avoid these trips with Mom and Dad. I spent yesterday afternoon fishing with Dad. I pretended to have fun, but it was boring. Mom has come up with a new soup recipe and it's disgusting. She asked dad if he liked it, and he said yes! Now she's making it every day. Also, I want my room back, I can't sleep in my tent!

See you soon,
Neal
