PART 5. READING

IX. Read the passage and choose the correct answer A, B, C or D.

Last Sunday, our school organized a special event about road safety and first aid. Many students joined the event because they wanted to learn how to protect themselves and help other people in an emergency.

First, a paramedic gave us an explanation of how to use a first aid kit. She showed us different things inside it, such as bandages, plasters and slings. She also taught us how to deal with small injuries, such as bruises and burns.

After that, a firefighter talked about road accidents and fire safety. He told us that we should always obey traffic rules, wear helmets when riding motorbikes
