Speaking Homework

Name: _____

Preparing for an Interview

Record an audio answer to each question from the lesson.

HOW TO DO IT

45-60 seconds per question | Use 2-3 phrases from the box | Notes are fine, a script is not

1 Tell me more about yourself. Talk about your journey and the things you enjoy.

USEFUL LANGUAGE

- *I'd describe myself as someone who...*
- *It all began when...*
- *Looking back, I realise that...*

Record your answer here

2 Why did you choose electrical engineering?

USEFUL LANGUAGE

- *What initially caught my attention was...*
- *It was the one subject that really clicked with me.*
- *I can't imagine choosing anything else.*

Name: _____

3 Why did you take an interest in this position?

USEFUL LANGUAGE

- *What first piqued my interest was...*
- *The main draw for me is the chance to...*
- *It ties in perfectly with my background in...*

Record your answer here

4 How do you see yourself in the short, medium and long term?

USEFUL LANGUAGE

- *In the near future, my priority is to...*
- *Down the line, I see myself...*
- *So, to bring it all together, my aim is...*

Record your answer here

Tip: Speak naturally. Listen to your recording and re-record if you need to.
