Dear Diary,
Sunday was a great day! It was sunny and hot. I was at the wildlife park with my brothers. It is a cool place. Lots of animals live at the wildlife park in Toronto. You can go on a small train and see the different animals.
My favourite animals are the monkeys. I know a lot about them. They climb and jump in the trees. They are very funny. They eat nuts and seeds.
They like bananas, too! They've got long tails. I like watching the animals at the wildlife park. It was an amazing day!
