They **(agree)** they both **(want)** to see the famous  and the . After they had got off the train in Bologna, they **(look)** for a  that would take them to the 

. There **(be)** no  available so they **(decide)** to walk instead. On the way to the 

they **(get)** lost and **(have)** to ask for directions several times.

Finally, they **(get)** to the 

. After a quick snack they **(go)** straight to . Next morning they **(get up)** and **(open)** the . Outside it was  heavily...
