KIDS FOUR FINAL EXAM

Paper 4
Time allowed: 1 hour

A) Read the story: **"The Lost Puppy".**

The Lost Puppy

Lucy lived in a small house near the park. She loved animals very much, especially dogs. Every afternoon, after school, she went to the park with her friends. They played games, ran, and talked together. One day, Lucy and her friends finished playing and Lucy decided to walk home. Suddenly, she saw a small puppy under a tree. It looked sad, scared and hungry!

Lucy walked slowly to the puppy and said, "Hello, little one." The puppy moved its tail and looked at her. Lucy gave the puppy a piece of her sandwich. The puppy ate it quickly. It didn't have a collar, so Lucy said 'It is lost!'. She looked around, but she didn't see anyone.

Lucy decided to take the puppy home. She carried it carefully in her arms. When she arrived, her mother was surprised. "Who is this?" she asked. Lucy explained what happened. Her mother smiled and said, "Let's give it some food and water. Maybe someone is looking for it." They put a box and a blanket in the kitchen for the puppy to sleep in.

The next morning, Lucy and her mother made posters with the puppy's photo. They took them to the park and to the shops near the park. In the afternoon, a man came to their house. He was the puppy's owner! He was very happy and thanked Lucy for being so kind.

Lucy was also happy because now she had a new friend. She had an idea too, so she told her mum: 'Let's adopt a dog and bring it home!'. Her mum laughed a lot and said: 'I like your idea: tomorrow we're going to visit an animal shelter. But now let's go for an icecream!'
