ONLINE EXERCISE

LESSON 6 - Narrative Tenses

Listen to the audio and choose the correct answer.

1. What was the main factor behind Daniel's success?

A) His extensive knowledge of financial markets.

B) His ability to understand and exploit people's expectations.

C) His connections with influential business executives.

2. How did Daniel respond when investors questioned his methods?

A) He provided additional evidence to clarify his proposals.

B) He admitted that some of his promises were unrealistic.

C) He made his critics question their own judgment.

3. What ultimately exposed Daniel's scheme?

A) An inconsistency in the company's official registration details.

B) A former employee who revealed his identity.

C) An investor who lost all their money and contacted the police.

4. What does the expression "his scheme eventually unravelled" suggest?

A) His business became increasingly difficult to manage.

B) The deception gradually came to light.

C) His investors started withdrawing their profits.
