3 | THE LOCKED ART ROOM

Read the story. Write T (True) or F (False) for each statement.

On Tuesday, a rare painting disappeared from the school art room. At 4:10 p.m., the painting was still on the wall. At 4:35 p.m., the art teacher noticed it was missing. The window was closed, and the door was not damaged.

Leo said, "I left the art room at 4:15 and went straight home." Mia said, "I worked in the library until 4:30." Mr Cole said, "I locked the art room at 4:20."

The entrance camera showed Leo leaving school at 4:32. The library computer showed Mia logging in at 4:18 and logging out at 4:29. A cleaner found a large painting bag behind the sports hall at 4:40. The bag was empty.
