UP English Center

Name: _____

Class: _____

1. Read the text and choose the best answer (A, B, or C) for each space.

THE MAGICAL PINK BEACH OF BAHAMAS

When people think of a famous **(1)** _____, they usually picture white or golden sand.However, on Harbour Island in the Bahamas, the coast looks like a giant pink carpet! It is one of the most unusual natural wonders in the world.

Why is the **(2)** _____ this special color? The secret lives deep under the water.Millions of tiny sea creatures live near the coral reefs. These tiny animals have bright red and **(3)** _____ shells. When their lives end, the waves break their crushed **(4)** _____ into tiny pieces and push them onto the shore.

Over time, these colorful pieces mix together with the white sand. This mix makes the coast look so **(5)** _____ that tourists travel from all over the world to visit. Visitors love taking long walks along the shore, taking photos, and swimming in the clear blue **(6)** _____.
