Dinda's Daily Routine

Dinda is a high school student. She has a busy but well-organized daily routine. She usually wakes up at 5:30 a.m. to exercise for half an hour. After that, she takes a shower and has breakfast.

At school, Dinda attends her classes, participates in classroom discussions, and completes her assignments. She also joins the English Club every Wednesday.

After school, she goes home and takes a short break. Then, she finishes her homework, reads a book, and helps her family with household chores. Before going to bed, Dinda prepares her school materials for the next day. She usually sleeps at 9:30 p.m.

From Dinda's routine, we can learn that managing time helps balance academic and personal activities.
