1- DOUBLE COMPARATIVES

Complete the sentences using double comparatives. You can't use "the better"

1. The more medicine you take_____
2. Medication is getting_____expensive every month. I can't afford it!
3. The older, _____
4. _____, the more you learn.

2- BE ABLE TO/ BE ALLOWED TO

Read the text and choose the correct options.

Last week, Mia felt very ill. She had a headache, a sore throat and a high temperature, so she went to the doctor.

At the health centre, she **(1) was able to / was allowed to** see a doctor after a short wait. She explained that she **(2) wasn't able to / wasn't allowed to** sleep well because she had been coughing all night.

The doctor told her she had a viral infection. Mia **(3) wasn't allowed to / wasn't able to** take antibiotics because they were not necessary. She **(4) was allowed to / was able to** take painkillers and drink plenty of water.

At the moment, Mia still feels weak, so she **(5) isn't able to / isn't allowed to** exercise.

If she feels better tomorrow, she **(6) is going to be able to / is going to be allowed to** return to work. However, she **(7) isn't going to be allowed to / isn't going to be able to** work if she still has a fever.

3- MIXED TENSES
